Administrative Assistant

APRIL - MAY 2008

From Your DOM...

Texas Baptist are partnering with the Minnesota - Wisconsin Baptist Convention to help start new churches in that convention. Bob Stockland, who is the Director of Missions for the Northwood Association in Minnesota was in our association a short while back. He met with Derrel Thompson the Minister of Music and Education at Valley Grove Baptist Church and myself. Bob shared with us some promising opportunities to partner with some new church starts in the Northwoods Association. The Northwoods Association covers the whole Northern half of the state of Minnesota and is a largely unchurched area ripe for mission work. Derrel took a group of singing men from the Valley Grove Church to Minnesota last summer and witnessed first hand the need for churches there.

Derrel, his pastor Glenn Shock and myself are going to Minnesota on May 26-29 to explore opportunities to help with some new church starts that are in the planning stages. When we return, we will share with the other churches of Erath Association the opportunities for mission work that are available there.

From my heart to yours,

David Blagg
